## **Osteogenic Loading's 125 Year Journey**

The key to building skeletal strength has been known  
for over 125 years.

The scientific means of exactly how to apply that to  
the human body has just arrived!

"No modality I have come across has the potential to change the lives of so many millions of people like this one."

~ Steve Shifflett, MD

"The real-world musculoskeletal benefits of osteogenic loading on strength, coordination, and balance are nothing short of astonishing."

~Jeffrey Bentson, MD
